

Why choose Patrick Mechanical?

Our employees are the most important asset of our company. We develop the depth in our company by researching and implementing **diversity, versatility,** and the experience in our workforce so we can successfully meet the needs required in our customers and to navigate **change effectively in our industry.** One of the most important core competencies is developing versatility in our employees so that they can switch seamlessly from one task to the next. At PML we ensure **every worker is properly trained** with a clear map of future training requirements and career goals.

Leader in specialized fields and trades in Northern Ontario, ranging from mechanical contracting, custom steel fabrication, plumbing, heating, and process piping, to millwrighting and related services!
