## BENEFITS OF EXHIBITING

- ➔ **Connect With The Right People**  
Make valuable face-to-face connections with targeted buyers, suppliers, other business owners, and organizations. Timmins and the surrounding area are the most important Mining regions in Ontario.
- ➔ **Network With The Best**  
Meet and connect with your peers. Exchange ideas, establish relationships and alliances. On the other hand, you can see what your competition is up to.
- ➔ **Showcase & Demonstrate Your Products**  
Show off your latest innovations and promote what you have to offer. Sell your products to attendees who have come to see your best and latest offerings. You can demonstrate your products live at your booth. Customers want to TRY-IT-BEFORE-THEY BUY-IT. Secure storage space is available so you can bring plenty of product to sell.
- ➔ **We Bring The Customers To You**  
The Big Event was attended by over 5,000 delegates, and many of these people were the decision makers for their business. Studies show that a trade show has the lowest cost per customer acquisition of any marketing method. Even better, you get to meet these people face-to-face for added impact.
- ➔ **We Do The Marketing For You**  
The Big Event has an ever expanding program of marketing to bring a targeted audience to your booth. We use LinkedIn, Facebook, Twitter, YouTube, and other online methods.
- ➔ **Be Seen As An Industry Leader**  
Being absent from the largest Mining Show in northern Ontario instantly makes you a non-player in the field and puts your competitors top of mind with customers.
- ➔ **You Can Host An Information Or Networking Session**  
Share your expertise on the topics that you are passionate about or host a networking session. Both will increase your reputation as an industry leader in the eyes of your peers and the public.

## **Exhibit space:**

Exhibit space can be reserved in the arena and outdoor grounds.

A standard indoor booth is 8 x 10 (size can be customized) and will include minimum 50 complimentary passes (# of passes are based on exhibit package), an electrical outlet, curtain surroundings, a table, two chairs.

Outdoor exhibitors will be able to reserve space starting as small as 10x10 all the way up 50x50. Outdoor space can be customized to your needs. Complimentary passes are available, tents and electrical are add ons.

## **The Big Event Website presence:**

Each exhibitor will have their company logo, booth location, show activity, company description and a link to their internal event pages included with the purchase of a booth.

## **Official show guide listing of products & services in Mining Life Magazine:**

The exhibitor will get a company listing and description of products and or services they will have on display at the event in the Official Show Guide.

The guide will promote the Mining Industry and what the event has to offer the potential buyer of products and or services. For those wishing more extended coverage, advertorials and display ads are available for additional cost.

## The Big Event Will Be Promoted Through The Following Channels

- ➔ Brochures which include gate passes to the expo will be printed
- ➔ Posters
- ➔ Press Releases and advertising in Trade Magazines
- ➔ Direct mail, campaigns throughout trade partners, associations, organizations, and an industry database that targets the mining industry
- ➔ Radio Broadcasting
- ➔ Email campaigns to targeted markets
- ➔ Website Promotion – Banners & Links to national websites.
- ➔ Social Marketing through LinkedIn, Facebook, YouTube, Twitter and others.
- ➔ Exhibitor Introduction videos and ongoing posts on Facebook, Twitter and YouTube. Exhibitors can offer show specials that will be promoted on the website and social media.
- ➔ Exhibitors will receive a bundle of free expo passes that they may distribute to their clients as promotions.
- ➔ Mining Life Magazine: Official Show Guide Issue featuring a complete agenda of the event detailing the exhibitors and the benefits of participation as well as an overview of the area.
